

BOOJUM BRINGS AN ENTIRELY FRESH APPROACH TO MEXICAN CUISINE IN BELFAST...

In order to bring you authentic tastes, textures and taste sensations, we source ingredients directly from Mexico.

You will not find any freezers in the Boojum kitchen and we don't believe in microwaves, everything we serve is freshly made from natural ingredients, in house, every single day.

Our service is fast, but hours of preparation have gone into every authentic meal we serve.
